

**ONLINE EMPLOYEE  
TRAINING PROGRAM  
FOR THE CENTER FOR  
EARLY CHILDHOOD  
EDUCATION**

## **Improvement Opportunity**

CECE is renowned childcare center in Emporia. It is necessary for them to maintain well-trained personnel and their staff turnover is high.

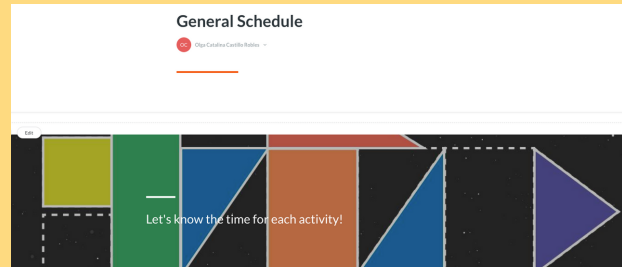

## **The solution**

THE CREATION AND IMPLEMENTATION OF AN ONLINE TRAINING COURSE TO BE COMPLETED BY EVERY NEW EMPLOYEE BEFORE AND DURING THE FIRST WORKING WEEKS.

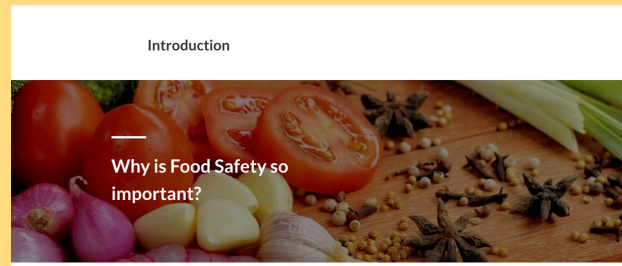

## LEARNING CONTENT

Generalities of the Center for Early Childhood Education

Food Safety

## Results

**A THREE HOURS ONLINE COURSE THAT LEAD LEARNERS TO BE ABLE TO:**

1. Apply theoretical knowledge and necessary procedures in specific and general childcare situations.
2. Accurately perform and behave according to early age care center specifications.
3. Demonstrate a complete understanding of the rules, facilities, procedures, and schedules of the Center of Early Childhood Education.
4. Demonstrate an understanding of the essential food safety procedures.

## Instructional Methods

- Online learning
- Use of multimedia
- Case study
- Learner - content interactivity
- Second, third chance program
